The victim was reeling when the second and third shots were fired. probably will follow the Cock-Chafer. Four policemen rushed up and the the officers. Two were seriously and proceeding to Nanchang. assassins turned their weapons on the officers. Two were seriously wounded. Policeman March, died ater in the hospital of his wounds. The sound of the firing brought many people running to the scene. A workman who saw the shooting said that as the victim alighted a man said that as the windle of the read state of the read supported by President Roosevelt and supported by President Taft. The question was not brought to the front in the general elections of the front in the president Roosevelt and supported by the question was not brought to the front in the general elections of the front in the g wounded. Policeman March, died later in the hospital of his wounds. The sound of the firing brought many people running to the scene.

A workman who saw the shooting said that as the victim alighted a man standing in the middle of the road fired a shot, and another was fired by a man standing on the corner, a door or two away. One of the shots struck the panel of the door of the Wilson home. The field marshal dodged, this account says, and the first shots missed him. He turned and faced his assallants, who fired two more shots, one striking him in two more shots, one striking him in the chest and the other in the head. The field marshal made a desperate attempt to open the door with his latchkey, but staggered down the steps and fell unconscious on the sidewalk.

shirt sleeves to join in the chase he is expected to choose the first. after the shooting.

very tall, declared he was an officer. moting the unification of China.

Ambassador Harvey. Shortly before his Justice Taft of the United States

upreme Court had entered the am-assador's house.

This assailant terrorized pedestrians as he ran. A number of taxis and po-licemen took up the pursuit of the as-

sassin, who continued to fire as he fied.

Field Marshal Wilson will have a military funeral. A guard from his old regiment already has been ordered from Winchester. He delivered a speech at the Liverpool street station in the city this morning in convention with the unveiling of a war with the unveiling of a war

Move to Adjournment. The death of Field Marshal Wilson was announced in the house of commons by Austen Chamberlain, the government leader, who moved the adjournment of the house as a mark

of mourning. Mr. Chamberlain stated that the field marshal's house had been broken into by two men who carried firearms (Continued on Page 2, Column 5.)

SHERRILL BANS SPOONING PRESIDENT LAUDS ON ROCK CREEK ROADS; FORBIDS NIGHT PARKING

of parking on the dark roads at night and who have been using the roads of Rock Creek Park will have to seek other places after July 24 next. If they want to use the roads of Rock Creek after that date they will have to keep rolling, for Lieut, Col. Clarence O. Sherrill, officer in charge of public build-ings and grounds, has ordered no parking after nightfall on the quiet, unlighted roads of the park-way.

way.

The regulations have just been amended, and will go into effect upon thirty days' notice of publication.

lication.

Col. Sher ill, in announcing the new regulations, said that the action had been taken at the "instance of civic organizations and mothers' societies of this city in order to protect the public against possible hold-ups in lonely localities in the park and to prevent the use of Rock Creek Park as a rendezvous for those who prefer the ways of darkness to those of light."

ARMY ON RAMPAGE SLAYS THOUSANDS IN KIANGSI, CHINA

Mutiny of Wu Troops Follows White House, notably President Mc-Capture of Fugitive President Sun.

LONDON, June 22 .- Field Marshal Klangsi province, according to reports reaching here.

Dr. Sun Yat Sen, deposed president staff and lately military adviser to of the Canton government, is a pristhe Ulster government, was assassi- oner aboard the cruiser Haichi, which, nated today near the door of his with other vessels of the Chinese navy, at Canton, has been handed over to the provisional government shall as he was alighting from an established there by Sun's enemies, automobile after attending a war which adhere to the republican gov-

ernment at Peking. Ruthlessness Extant

So far reports of the mutinies are vague, but those telling of the broad extent of the mutineers' ruthlessness apparently are authentic. Today's dispatches indicate that the situation in Kiangsi province is worse, if anything, than it was last night.

anything, than it was last high.

Reports of activities of the mutinous troops, received from Hankow and Nanchang, stated that the mutineers were led by Gen. Tsai Chen-Hsun, military commander of Peking, who was leading his men northward and approaching Changshu Ki, a city about one hundred miles north of Nan-Kianfu and fifty miles south of Nan-

chang. To Rescue of Foreigners.

With fine frankness his amendment from a cut caused by some one striking him with a bottle. It took four men to carry him to the police station. His companion is a man of very short stature.

One of the two men ran toward Eaton Square, passing No. 2 Chessham place, which is the residence of Ambassador Harvey. Shortly before

MILLIONS IN BURIED TREASURES GOAL OF FOUR SEARCHING PARTIES

NEW YORK, June 22 .- Directly after news that gold diggers were seeking a lost Jesuit treasure in the Wye river, Canada, and that an expedition had just left New York for the Belgian Congo, there to search for precious metals, announcement was made today of two new treasure hunts that have been organized and will soon be

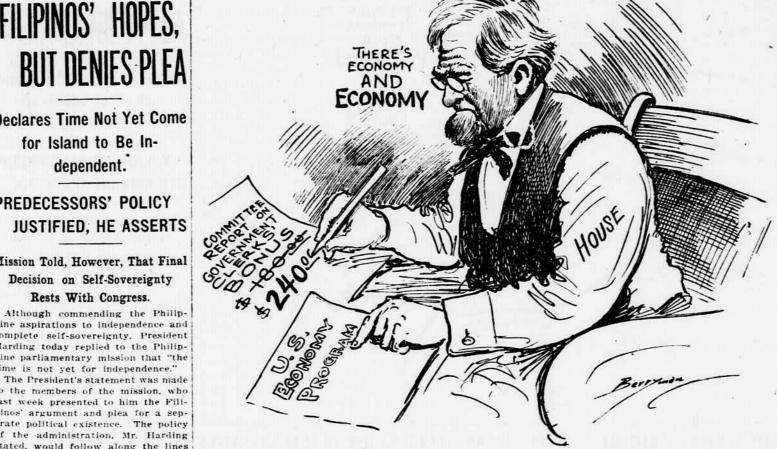

By the Associated Press.

on their way.

Five men, one from Elizabeth and two from Newark, N. J., with two from White Plains, N. Y., have stated that they will sail today for an island off Nova Scotia in search of a legendary \$50,000,000 hoard. Edward W. Bowne of Newark, who heads the searchers, said a resident of California told him that

during a war between South American countries many years ago the national treasure of one the participants was put on a ship to save it from capture. The vessel escaped and on reaching the vessel escaped and on reaching the Canadian coast the treasure was buried. Bowne said the Californian convinced him that he held the secret of the treasure and decided to lead the search.

The other treasure hunters will sail July 1 on the steamer Balkely, which has been especially equipped to raise \$6,000,000 in coin and bullion, which want down on the Lusting. to raise \$6,000,000 in coin and bul-iion, which went down on the Lusi-tania when it was sunk by a Ger-man submarine. Capt. B. F. Leavitt will be in command of the expedition. The American expedi-tion will sail in the face of threats by an English concern that it has contracts to salvage the Lusi-tania.
